## Moss tops 2 Big 7 records as Bruins win dual meet

• SENIOR CHARLES MOSS proved to be the big gun in the opening track meet of the 1955 season staged in Grizzly stadium Friday against the Mena Bearcats. Charles bettered his Big 7 shot put mark to 52 feet, 11 inches and twirled the discus for 151 feet, two inches, also topping his Big 7 discus record.

Other winners in the weights division were Don DeCamp, shot

put, 48 feet, five inches, with Bill Meligonis finishing third. Eddie Walker placed third behind Moss and DeCamp in the discus throw.

EVEN FREEZING WEATHER could not hold the Grizzly sprinters from piling up points in the dashes and relays as they did away with the thinclads and ran in warm-up suits. The Grizzlies downed Mena 112-2.

Even though the weight division stole the spotlight, many of the 112 points were racked up by winners in the following events: high hurdles—DeCamp (15.6), Bob Moore and Gary Wisener; pole vaulting—Ronald Ray (10 feet, six inches), Don Marts and Roger Lee; broad jump—Moore and Benny Blevins (17 feet, nine inches), a tie for first; scissor jump—Moore (5'6"), and Jarrell Williams; 220 dash—Tommy Bach (24.6), Foster Gay and Williams; low hurdles—DeCamp (22.7), Wisener and Moore; 880 yard run—Tommy Cutting (2:19.8), Eddie Jeter and Blevins; 440 yard dash—George Pollan (58.2), Curtis Smith and Larry Sprenze.

Winners in the relays were as follows: 440 yard relay—Williams, Moore and Bach, (47.1); 880 yard relay—Gay, Joe Paul Alberty, Williams and Bach, (1:43.5); mile relay—Pollan, Smith, Sprenze and Alberty, (4:08).

## Williams wins AAU novice division finals in boxing tourney

• ALONG WITH TRACK, boxing has captured the sports spotlight with three FSHS boxers who recently competed in the AAU boxing tournament, held March 17, 18 and 25 in Little Rock.

Darrell Williams, sophomore, boxing for the first time, blasted his way in the novice division to the state finals with four successive wins. In the finals Friday, Darrell won his final fight by a decision over Louis Seiter of Subiaco. Williams, an all-round athlete, is said to have a very good left jab.

TWO other FSHS boxers, veteran Junior Cagle, senior, and Arvil Burris, sophomore, fought their way into the semi-finals. Junior, 112-pound open division, who has been boxing since he was five but only recently began reconditioning, lost a decision to Jimmy Keatts of Subiaco, and Arvil lost to Henry Gibson of Pine Bluff.

Junior has won his previous AAU divisions three times, 57-pound and 75-pound classes.

# Grizzlies to compete in Big 7 meet

• COACH JOHN THOMPSON and his thinclads will come up against something different in track meets when they travel to Little Rock Saturday to compete in the Big 7 relays. This meet consists of several events not held in a regular track meet in Arkansas, such as the 800 yard medley relay. This medley is made up of one competitor in each of the following runs: 110-yard, 220-yard and 440-yard.

The five field events—broad jump, pole vaulting, high jump, shot put and discus—will have three men from each team competing. The distances or heights scored by the three competitors are averaged to form a team score which then determines the winner. Instead of individual entries in the high and low hurdles, four boys will run a relay for each team entered, the fastest time winning the event. "A definite line-up isn't complete since challenges for posi-

tions aren't through," said Coach Thompson. However, the brunt of the sprints and short relays will fall on Foster Gay, Tommy Bach and Jarrell Williams, he added.

IN THE MILE and two mile relays, Tommy Cutting with George Pollan, Larry Sprenze, Curtis Smith and Eddie Jeter will make up the teams.

The hurdle teams will include Don DeCamp, Bob Moore, Gary Wisener, Joe Paul Alberty and Darrell Williams. The shot put and discus rings will claim the four boys who won these events last year, Charles Moss, DeCamp, Bill Meligonis and Eddie Walker.

MOORE, along with Jarrell Williams and Ronald Ray, will probably run the high jump and broad jump events, with Ray, Roger Lee and Don Marts commanding the pole vault pit.

April 9 Coach Thompson will take a squad to the Arkansas University track relays, where they will enter the Big 7 division. For the past few years, Fort Smith has been the dominating

team at this event. The following week the Bruins will play host to several teams from Oklahoma and Arkansas in their own invitational meet.

## Tennis and golf call issued to FSHS boys

• GOLF AND TENNIS calls have been issued for boys who wish to make a try for the teams, according to Coach Steed White.

Boys who are already out for these sports are Joe Riddle, Ben Paddock, Jack Gunter, Jerry Yarbrough, Eddie Green, Jerry Jeffries and Don Eubanks, tennis; Bobby Ramer, Curtis Voss, Larry Campbell, Gary Shelby, Jack Ramer, Jimmy Wright, Ronnie Tabor, Virgil Ballard and Curtis Collier, golf.

From this number, four tennis players and two golfers will be selected for the Big 7 meet, and two on each team will travel to the state meet, both of which will be held later in the spring.

## Square dance party to be held April 14

• "COME EVERYONE and join in the dance—swing your partner then left alimande!"

These unusual words will echo from the gym April 14 when the Allied Youth, Miss Hazel Presson's journalism classes and Miss Minta Thompson's girls physical education classes combine to sponsor a square dance party.

The party will begin at 7 p. m. Calls will be furnished by recordings.

"ALTHOUGH this party is sponsored by three different clubs or classes, we want it understood that everyone is invited to come and have fun. It is an all-school party and admission is free," said Mrs. Ruth Levy, AY sponsor.

Several square dance parties have been held during previous school years, but this is the first planned for this year.
